Houses In Motion The Genesis

House in Motion, Second Edition explores the genre of portable, transportable, demountable and temporary architecture. Moving buildings are among the earliest artifacts created by man, and yet they have a persisting relevance that enables a Bedouin tent to exist in the same world as a 90,000-ton aircraft carrier.

House of Genesis

The Great Houses are the most powerful of the noble houses of the Seven Kingdoms. They exercise immense authority and power over their vassals and territories and are answerable only to the King of the Andals and the First Men, with the exception of House Stark, which rules over an independent kingdom. Before the Targaryen Conquest, each of the Seven Kingdoms was ruled independently by a ...
