I Choose To Live is a true story of 12 year-old Sabine Dardenne's ordeal after being kidnapped by a

notorious pedophile. How she survived such a horrific time at such young age is inspirational. Her

courage, her calm and her letters to her mother are most likely what helped to save her sanity, while her

captor lied to her and brainwashed her into believing her parents didn't care.

In the middle of the immense machinery of investigation and justice there was Sabine Dardenne herself, Dutroux's last victim. She was held captive for eighty days - and survived. Far from sensationalising the horror, her story, dignified and restrained, is ultimately uplifting. Says Sabine Dardenne, 'I choose to live'.
