Nurses! Test yourself in Pharmacology by Katherine Rogers...

Synopsis. This ideal starter text for student nurses in pharmacology is now into its 4th edition. It makes pharmacology less intimidating by focusing on the knowledge needed at pre-registration level in order to safely and competently practice as a newly qualified nurse. Praised for its helpful layout and jargon-free language, this updated edition introduces pharmacology in a friendly, informative way, without assuming previous knowledge or a level of confidence in numeracy.

Essentials of Pharmacology for Nurses, 4e (Paperback)

Product description From the Back Cover This new edition of Introducing Pharmacology remains an accessible and relevant introduction for nursing and healthcare students who are new to pharmacology, as well as anyone looking to refresh their knowledge of the subject. Clear, understandable and engaging, the text balances accessibility with depth.
